

The Beauty of Contrast

TERAZZO COLLECTION

A mosaic of silica fractals with various shapes and sizes, which are lit up within the unity of a deep black background. Featuring shades of grey, white, and even a golden hint. Everyone can enjoy this scenic picture with the hallmark of the traditional terazzo motif in their interior, thanks to the wide range of quartz usage.

TAURUS TERAZZO BLACK

TAURUS TERAZZO DARK

8/2019/EN

Even black can have many forms and shades, especially if it is made up of different material grain sizes that work together in one compact unit. Black is playing solo in the Terazzo Dark mosaic in the form of a kitchen countertop or floor tiles.
